Vendor is responsible for moving the booth to the designated storage area near the France Equestrian Center. Any commercial mover may be used; however these companies have regular customers on the fairgrounds:

Kopperud Transportation	907-745-3645
A-1 Towing	907-376-1042 or 373-4722
Brett's Auto Mover	907-232-6670

If you are moving your booth by yourself, please contact Pamela, at the Main Office, for the exact location to store your booth. Do not move it without instructions. If you store in the wrong location you will lose your opportunity to store again.

All paperwork and applicable fees shall be paid before the building is moved into the storage area.

You must have your company name painted or securely attached to the building. The Matanuska Winds can do a lot of damage during the winter so secure your building well and make sure proper identification is attached.

Thank you.
