Welcome to the 2021 Alaska State Fair Parade – Themed **“Seeing is Believing”**. Your participation is very important and we look forward to a very successful parade!

Please read carefully and sign below that you have received these rules, agree to abide by them and will ensure that all participants in your entry are familiar with these rules. This will help to guarantee that your experience is organized, enjoyable, and safe. Our primary concern is for the safety of residents, participants, viewers and everyone else involved and in proximity to the parade event.

## 2021 RULES: Safety First!

1. All paid entrants must **check in between 9 and 10:15 a.m.** on Saturday, August 21, 2021, the morning of the parade, at the Palmer Train Depot (There will be a table set up outside, behind the grandstand).
2. Each entrant will be issued a staging and parade entry number. No numbers will be issued after 10:15 a.m. Each entry must then move to the designated spot for their number along South Valley Way. The assigned Entry number must be displayed on the left side of the entry as it passes the reviewing stand.
3. All entrants must be in place and **ready to go no later than 10:40 a.m.**
4. All walking participants must remain at least 10 feet from the front of any moving vehicles. All walkers must remain aware of their surroundings and of their proximity to moving vehicles. All entrants are asked to **CLOSE THE GAPS BETWEEN ENTRIES** to discourage spectators from unsafely crossing the parade route, and to keep everyone safe.
5. Children and minors must be in the company of an adult who will carefully supervise them to ensure compliance with all parade rules.
6. Drivers may not enter or climb upon any motorized float until all float riders are on the float and positioned in their permanent places for the parade duration. While a vehicle is running, the driver must remain in the vehicle. Drivers must remain constantly aware of people in their path and take cautionary measures necessary to ensure pedestrian safety.
7. All stops or performances at the reviewing stand are limited to no more than 30 seconds. Entries taking more than their allotted time may be docked in the judging points.
8. Float riders may not leave or step off or down from the float and no new riders may be added during the parade route unless the driver first stops, shuts off, and exits the vehicle.
9. **DO NOT THROW CANDY.** Candy, balloons and other items may not be thrown from vehicles, or from any parade participant, including walkers. All items must be delivered hand-to hand, given from walking participants to spectators.
10. Restocking of any item or supplies from a moving float is not allowed. Restocking is allowed only when the float has come to a complete stop and then only from the back end of the float. Transfer must be made from adult to adult (no children or minors), and no one is allowed to get on or off the float.
11. Car and motorcycle groups should drive vehicles two (2) abreast along the entire parade route.
12. All entrants with animals must provide on-site clean-up following immediately after each animal.
13. Drivers must be aware of the height and turning ability of their entry vehicle when proceeding through the Pioneers Home parking lot and under the covered entry. Vehicles not turning into the Pioneers Home will proceed down Fireweed to end the parade on South Chugach Street.
14. At the finish, the driver must stop, shut off, and exit the vehicle before any riders may leave the float.
15. Cash prizes will be awarded to the overall first, second, and third place entries. Ribbons will be awarded for first, second, and third place in all categories. Prize judging criteria are listed on the entry form. All prizes will be mailed or delivered.
